

FOIA #FY2010-591270

Mr. Nathan Paul Mehrens
Counsel
Americans for Limited Government
9900 Main Street
Suite 303
Fairfax, VA 22031

SEP 01 2010

Dear Mr. Mehrens:

This letter is in partial response to your Freedom of Information Act (FOIA) request dated January 14, 2010. We apologize for the delay in responding. In your letter you requested:

Copies of records that exist in any of the following categories and that were created on or after January 20, 2009:

1. All records relating to daily schedules including attendees at meetings held by and attended by Sec. Hilda Solis;
2. All records relating to travel performed by Sec. Hilda Solis on behalf of the Department including disbursements issued to her or on her behalf for such travel;
3. All records relating to travel performed by Department personnel, excluding personnel from the Office of the Inspector General, accompanying or providing advance work for the travel of Sec. Hilda Solis on behalf of the Department including disbursements issued to or on behalf of Department personnel for such travel; and
4. All records relating to speeches given on behalf of the Department by Sec. Hilda Solis including the text of any speeches given.

In response to your request, we conducted a search for responsive records within the Office of the Assistant Secretary for Administration and Management and the Office of the Secretary. In our initial search we located documents related to the Secretary's schedule and other documents deemed responsive to your request. However, after further review of your request we determined that a further search needed to be conducted to locate additional records. Again, we apologize for any inconvenience this may have caused.

As discussed with The Department of Labor (DOL) FOIA Public Liaison, Thomas Hicks, Sr. Esq. and Daniel J. Gomez Esq., your attorney, we are in the process of expediting another search and will provide responsive documents to you on a, "rolling bases" as they are located and reviewed for disclosure.

Enclosed are copies of the Secretary's desk calendars covering the period from February 25, 2009 (the day following her U.S. Senate confirmation) thru July 11, 2009. You will note that portions of these documents are withheld pursuant to FOIA 5 U.S.C. § 552 (b)(6) to protect personal privacy. We only withheld personal entries and the names of individuals who were interviewed by the Secretary. The remaining entries are disclosed for your review.

In discussions with the DOL FOIA Public Liaison, Mr. Gomez was informed that text of all of the Secretary's speeches are available for review from our website at: <http://www.dol.gov/sec/media/>. They also discussed the possibility of narrowing the scope of your request for all records related to speeches given by Secretary Hilda Solis, by identifying topics that are of interest to you. We will await additional instructions from you or Mr. Gomez before proceeding with a search on this aspect of your request only.

At this time we ask that you await our full response before filing an administrative appeal. However, that option remains available to you. If you wish to pursue an administrative appeal of this partial response you may do so by writing the Solicitor of Labor within 90 days from the date you receive this letter. The appeal must state, in writing, the grounds for the appeal, including any supporting statements or arguments. To facilitate processing, you may wish to fax your appeal to: (202) 693-5539. The appeal should include a copy of this letter. The appeal must be addressed to: Solicitor of Labor, U.S. Department of Labor, 200 Constitution Avenue, N.W., Room N-2428, Washington, DC 20210. If mailed, the envelope, and the letter of appeal must be clearly marked: "Freedom of Information Act Appeal".

Sincerely,

DAVID FREDERICKSON

Acting Director

Center for Program Planning and Results
