Mr. Wohlschlegel:

Your request of February 24, 2012, regarding Building & Construction Trades Division has been assigned to OWCP, OSHA, and the Wage and Hour Division with tracking number **680404**. Your February 27, 2012 request regarding Contract # DOLJ119E32607 has been assigned to OWCP solely with tracking number **680412**. When the agencies begin processing these requests, you will be able to track their progress at www.dol.gov/foia. If you need to contact OWCP about a request or to inquire a status, please submit your inquiry through owcp-foia@dol.gov, and for OSHA at osha.foia@dol.gov. It would be helpful to include a tracking number in the Subject line of any submission to these two agencies. For Wage and Hour, please phone 202-693-0388 and provide a tracking number at the time of your call.

Thank you for contacting the U.S. Department of Labor and providing us an opportunity to serve you. Your patience is greatly appreciated. --

Spoke with Cathy Nixon of DOL-OWCP when following up on foias, and she has found no recording of this FOIA being received (originally sent Feb. 24th, see below). I had sent it to foiarequest@dol.gov email but never received confirmation of its receipt.

As such, I am resending to make sure it is received and processed.

Thanks,

Mark Wohlschlegel
