Dear Mr. Mehrens:

This is in response to William Wilson's March 5, 2012 request for record(s) from the Food and Drug Administration pursuant to the Freedom of Information Act regarding copies of any records that exist in any of the following categories regarding CTP's Request for Proposal on the Anti-Smoking Campaign that were created on or after November 1, 2011:

1. The number of entities that responded to the RFP;
2. All records of communications and the communications themselves between any official of CTP and entities responding to the RFP;
3. All contracts or agreements CTP entered into with respondents to the RFP, describing with whom, for what amounts, and what duration.

Your request was received at the Center for Tobacco Products on March 8, 2012.

The Center for Tobacco Products is responding to #2, all communications to CTP were directed to the contracting office at OAGS. Therefore, we have no responsive records.

While we believe that an adequate search of appropriate files was conducted for the records requested, you have the right to appeal this finding that no records exist. Your appeal should be mailed within 30 days from the date of this letter to the Program Support Center, 7700 Wisconsin Avenue, Suite 920 Bethesda, MD 20857. Clearly mark both the envelope and your letter "Freedom of Information Act Appeal."

This concludes the response for the Center for Tobacco Products. **You will receive an additional response from another part of FDA.** If I can be of further assistance, please let me know by referencing the above file number. You can reach me by phone at 301-796-8880.
