Applications for the Harwood Capacity Building grants are due by close-of-business Friday, July 2, 2010. Please see Memo to RA's attached. The Directorate of Training and Education will provide each Directorate with a list of all grant applications received, sorted by grant topic, after the July 2 application closing date.

The two required electronic templates, together with other informational sheets and voluntary use evaluation forms are attached:

1. Electronic Harwood Grant Scoring Template for Capacity Building Grants
2. Electronic OSHA Alliance Member & Past Grant Performance Template

Please submit grant application evaluations via email to HarwoodGrants@dol.gov by close-of-business Friday, July 23, 2010.

Questions regarding the recommendation memos and required forms should be directed to the attention of Linda Vosburgh either by email (Vosburgh.Linda@dol.gov) or phone (847-759-7765) at the Directorate of Training and Education. We appreciate your assistance in this important matter.

Kimberly:

This email and attachments were sent to both the ARAs and Regional grant staff after Hank sent them to the RAs.

I am working on the email and attachments for the TT grants. Jim did not indicate when I should send them.

Good Morning:

The following email, regarding the evaluation of Harwood Capacity Building grant applications, was sent this morning to all Regional Administrators. The memo to the Regional Administrators includes important information and instructions.

Please Note:

- *It is required that a minimum of one comment per section (Program Plan, Budget, Organization Experience, and Staff Experience) be included in the Electronic Harwood*

10/27/2010

Grant Scoring Template. These comments are essential when briefing the Assistant Secretary.

- *Columns in the worksheet that contain formulas are locked. These columns will automatically update as data is added or modified in other columns.*

Please let me know if you have any questions or concerns. Thanks.
