Subject: ALG FOIA Request#622027 - Susan Harwood Grant Awardees

Mr. Wohlschlegel,

This is in response to your correspondence to Joseph Plick, dated December 2, 2010.

In your letter you indicated that your original request to the Office of the Secretary, dated September 17, 2010, for documents regarding Susan Harwood Grant Awardees, had not been fulfilled. During our phone conversation, I informed you that the Occupational Safety and Health Administration (OSHA) forwarded a response to Nathan Mehrens, on November 16, 2010. OSHA's response to Mr. Mehrens was sent in response to the FOIA request submitted by Americans for Limited Government (ALG), dated September 17, 2010.

I apologize for any confusion concerning this FOIA request. As noted in our phone conversation, please do not hesitate to contact me regarding any future issues that may arise with regards to ALG's FOIA request to the Department of Labor.

I can be reached at (202) 693-5427.

Thomas G. Hicks, Sr., ESQ.
