Re: FOIA ID: ES-2012-0023

Dear Mr. Wilson:

This is in response to your Freedom of Information Act (FOIA) request, dated and received in this Office of November 16, 2011, in which you request:

1. All records and documents concerning or relating to the Petition of United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, AFL-CIO, and other labor organizations for Rulemaking Regarding Members-Only Minority-Union Collective Bargaining, submitted on August 14, 2007, including but not limited to:
2. Records that pertain to communications to or from any Member of the NLRB or their immediate staff and labor organizations or their immediate staff about the petition.
3. Records that pertain to communications to or from any Member of the NLRB or their immediate staff and Dr. Charles Morris, acknowledged author of the petition.

You seek all records created on or after August 14, 2007, and you requested that fees associated with your request be waived or limited. You also asked that all records be sent to Nathan Paul Mehrens and you designated Mr. Mehrens as the contact for any questions.

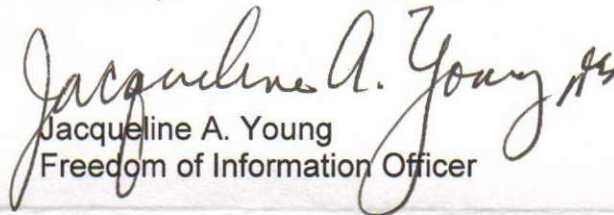

An interim reply was sent to you on December 1, 2011.

In a follow-up call with a member of my staff on December 7, 2011, Mr. Mehrens clarified that you were not seeking internal communications and news clippings dealing with this petition. It was also agreed that that we would provide responsive documents at no cost, but that we would not pass on your request for a fee waiver.

The Agency will need an extension of time to respond to your request because of the need to consult with and search for records from other offices of

the Agency. Accordingly, the Agency will require another ten working days from December 21, 2011, until January 6, 2012, to respond.

Sincerely,

Jacqueline A. Young
Freedom of Information Officer
